**Source.** Open the source witness. Historical source wording is public domain in the United States on its identified pre-1931 publication basis; status elsewhere may differ. Source wording is excluded from Triptych's project license. Exact edition and rights evidence remain in the controlling source record. AAS 22 (1930). Exact mechanical UTF-8 pdftotext -layout ranges. Original OCR spelling, spacing, internal source notes, signatures and dating clauses retained. No facsimile collation; printed page labels left unknown rather than inferred from PDF page ordinals. Boundaries and every interior excluded gap received independent review; exact source rows were restored where an earlier header classifier had omitted semantic text. This exact act is retained from the separately bounded earlier 1930 fascicle subset; later issue 13 / Casti, issue 14 and 1931 index / colophon are excluded. Revision: 2026-10-26T18:13:41Z.
