AD UNIVERSOS ORBIS CATHOLICOS

Pius X · Latin

Dum Europa fere omnis in anfractus abripitur funestissimi belli, cuius quae pericula, quas clades, quem exitum qui paullulum reputa- verit, is profecto luctu atque horrore se confici sentiat, non possumus non gravissime et Ipsi affici, non angi animo moerore acerbissimo, quum simus de tot civium, de tot populorum salute ac vita solliciti. In tanta rerum omnium perturbatione ac discrimine plane sentimus atque intelligimus hoc a Nobis paternam caritatem, hoc apostolicum ministerium postulare, ut christifidelium omnium animos eo conver- tamus impensius unde venit auxilium, ad Christum, dicimus, principem pacis et Dei atque hominum mediatorem potentissimum. Huius igitur thronum gratiae ac misericordiae adeant omnes, hortamur, quotquot sunt per orbem catholici in primisque viri e clero; quorum insuper erit, iussu episcoporum in unaquaque paroecia publicas peragere sup- plicationes, ut misericors Deus, quasi piorum precibus defatigatus, fune- stas belli faces amoveat quantocius detque benignus iis qui publicae rei praesunt cogitare cogitationes pacis et non affiictionis. Ex aedibus Vaticanis, die II augusti MCMXIV.

PIUS PP. X

Source. Open the source witness. Historical source wording is public domain in the United States on its identified pre-1931 publication basis; status elsewhere may differ. Source wording is excluded from Triptych's project license. Exact edition and rights evidence remain in the controlling source record. AAS 6 (1914). Source heading metadata collapses whitespace only. Retained wording is selected mechanically from the exact hashed derivative, preserving OCR errors, source dating, signatures and source notes; extraction is not collation.
