Source wording is excluded from Triptych's project license. Exact edition and rights evidence remain in the controlling source record. AAS 17 (1925). Exact mechanical UTF-8 pdftotext -layout ranges. Original OCR spelling, spacing, internal source notes, signatures and dating clauses retained. No facsimile collation; printed page labels left unknown rather than inferred from PDF page ordinals. Boundaries and every interior excluded gap received independent review; exact source rows were restored where an earlier header classifier had omitted semantic text.
